WA&A is my go-to magazine for superior articles on art. I have discovered numerous artists in the magazine and know that many art patrons have discovered the Coors Western Art Show there as well. Honestly, I don't think I've ever thrown out a copy; I've got a stack of past issues sitting next to my desk right now.

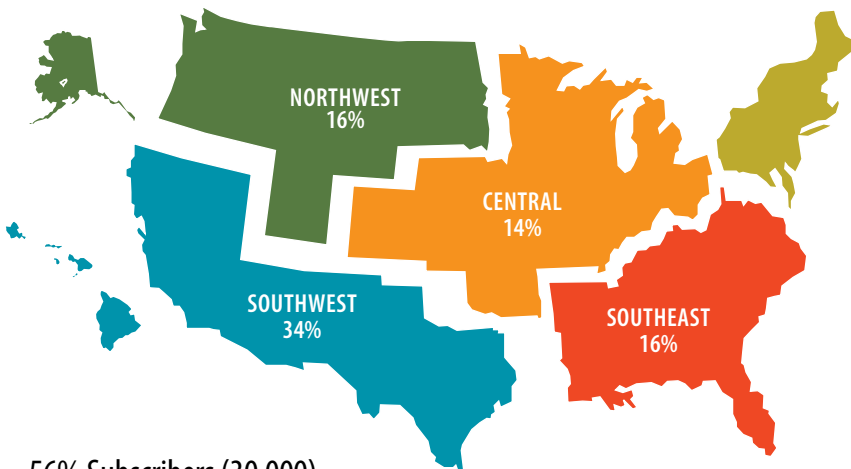

— Rose Fredrick, Fine Art Publisher and Curator

"I am a fine art painter in Santa Fe, New Mexico, with a lot of experience in the advertising business. I look at results. My painting, Quiet Journey Into the Aspen, was included in the article and sold immediately to a couple who flew in on their private jet and carried the painting home! This is not the first time we have had success in sales with WA&A. It seems the readership of this publication is made up of many art buyers."
